Please note that all values between 0 and 5 are shown as “--”. This is done to prevent individuals from being identified when IRCC data is compiled and compared to other publicly available statistics. All other values are rounded to the closest multiple of 5 for the same reason; as a result of rounding, data may not sum to the totals indicated

Please note that all values between 0 and 5 are shown as "--". This is done to prevent individuals from being identified when IRCC data is compiled and compared to other publicly available statistics. All other values are rounded to the closest multiple of 5 for the same reason; as a result of rounding, data may not sum to the totals indicated
